D. & P. L. 14 (DELTAPINE 14) FOUNDATION COTTON SEED

We are distributors for Ala. and Fla. for the breeders, The Delta & Pine Land Company, of this outstanding variety of cotton which averages 1 1/32-inch to 1 1/4-inch staple and 39% to 44% lint. D. & P. L. 14 was put on the market the 1942-43 season for the first time. This year a selected stock of No. 14 is offered. It has outyielded the original by more than 3%. All seed are DELINTED, CERESANTREATED and sacked in METAL SEALED BAGS. D. & P. L. leads at more Experiment Stations and is used in more one-variety communities and on more farms than any other cotton. Ask for the new "Deltapine 14" folder for further information. If you want to make the most money, get started with D. & P. L. 14. Get lined up with us now and get your friends lined up. Book early to be sure of having seed. Last year FOUNDATION D. & P. L. seed were practically sold out by fall. The same thing is expected this year. The following prices are guaranteed for the 1944-45 Season, and you can save \$5.00 per ton by taking delivery during September and October:

	Per Bu.	Per Cwt.	Per Ton
F.O.B. Darlington, Ala.	\$3.25	\$9.00	\$170.00

Later we will have a stock of D. & P. L. 14 with Wittichen Transfer & Whse. Co., Birmingham, at these same prices. Place all orders through our Darlington office.

REMEMBER—IF YOU LIVE IN ALA. OR FLA., NO ONE CAN SELL YOU FOUNDATION D. & P. L. 14 COTTON SEED EXCEPT US AND OUR DEALERS. GET THE REAL ARTICLE! LOOK FOR THE "PINE TREE" ON THE BAG. IT IS NECESSARY TO BOOK ORDERS SUBJECT TO AVAILABILITY OF SEED.

SEE YOUR A. A. A. MAN

About getting Mixed Vetch containing 35% Hairy or more and 70% Hairy or more. In Ala. the AAA will buy these seed for you. Your only expense will be transportation from here and inoculation. The seed will meet Ala. specifications, and we are willing to sell at AAA prices. We can likely sell if you live in another state, but do not have the details outside Ala. Send us your purchase order signed, and we will ship.
